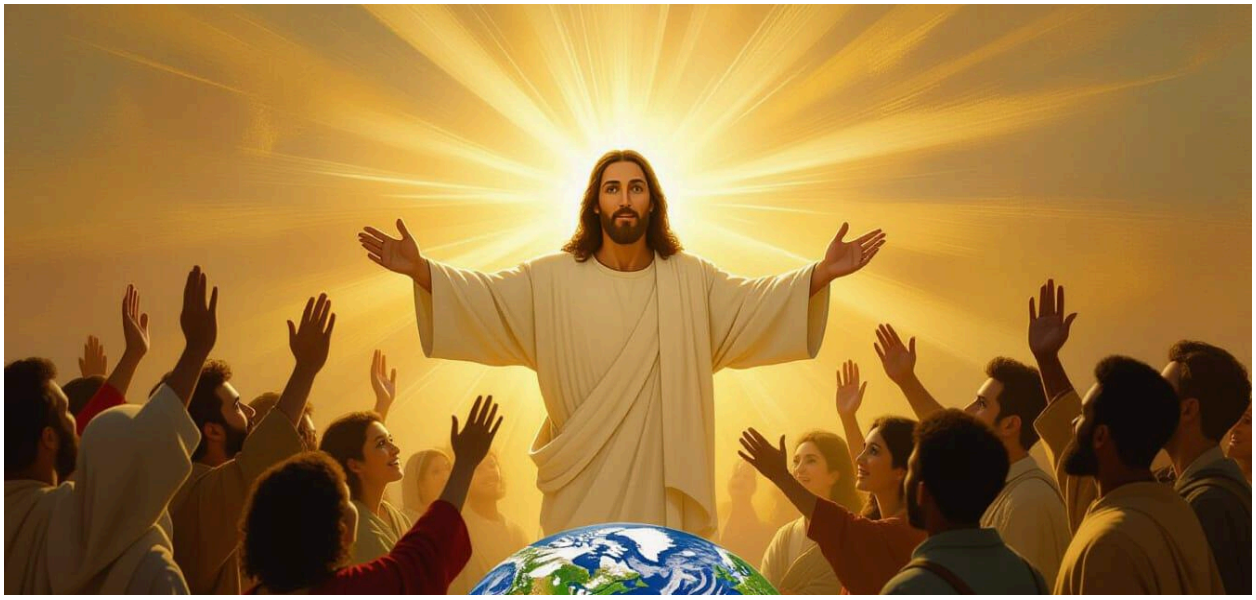
Prophecy To My International People



“Speak to My Church overseas, My son. Why won’t they obey Me? I called and called, and even written them words of prophecy sent by the prophet. Why won’t they obey My call to global evangelism, My son? Each man refuses to preach My Gospel, to go out and evangelize the lost masses. Hell is real, and many of My people will go there because they do their own thing in life working jobs that I did not call them unto so that they could make money, and not in doing My will, My son. Send your word to them, My word of judgment to the International Church spread all over the globe. My wrath is manifest to all who disobey Me, My son, refusing to do My will in life and evangelize the masses. That makes the Devil happy because he knows that he has just a short time on the earth. Judgment Day is coming where every man will be judged for his works, and many flung into the Lake of Fire because they refuse to obey Me, their LORD and Savior, the Living LORD of Hosts, My son. My wrath is manifested against all wickedness, and wrath is spilling over into the Church, My son, because they wantonly refuse to do My will, My son. My people refuse to obey Me, to do My will for their lives, therefore many shall die ahead of time– I Am A God of Wrath to the disobedient. Remember Saul? He wouldn’t do My will with his whole heart. Therefore he died with the Witch of Endor incident, dying on the battlefield, My wrath manifest against him. Many like him refuse to obey Me, therefore My wrath is manifest against them. Many shall die in the great plague that is coming, because they steadfastly refuse to do My will, but their own worldly thing, My son. Many will burn in My Lake of Fire for refusing to obey Me, their LORD and Savior in taking the Gospel to the masses, which they refuse. My wrath is manifest against them, My International People. What can I do when they steadfastly refuse to obey Me in taking the Gospel to the masses? My world must be evangelized, and I will raise up others of obedient believers who will do all My will, laying down their lives so that My Gospel can be preached, not staying inside doing nothing. Your LORD has spoken. Obey My people. Amen and amen.”
